

Located in New York City's famed Hell's Kitchen neighborhood - home to the West Side Story, the Actors Studio and many other cultural and culinary icons, The Skyline Hotel features some of the best views New York City's Skyline has to offer; all within a few minutes walk from the Theater district, Times Square, Jacob Javits Convention Center, Intrepid Museum, and a wide host of fabulous restaurants and nightclubs. The spacious Skyline Hotel lobby and public areas, recently renovated, offer new expanded comfortable seating areas just off the main lobby, a place to simply relax or to browse the internet using our business center. Experience a truly unique hotel, where top service and a warm atmosphere will exceed your expectations. The New Skyline Hotel awaits you on your next New York City visit!
